CONTACT Program

South Asia Peacebuilding Training and Education

4 – 15 December 2013

"I have learnt so much from such a wonderful group and trainers...It was great to hear and learn from people who are from conflict areas directly. Plus the trainers are very resourceful and skilled in dealing with conflict and giving insightful thought. I am really proud to be part of this year's CONTACT program... It helped me to understand the problems of south Asia more closely."

-Dorjee Tseten , National Director, Students for a Free Tibet – India
